Subject: Nidec Hurst Manufacturing Announces the Obsolescence of the K, KD, KN, KS, LA, LB, R & T
Last Time Purchases accepted through March 15, 2024

Nidec Hurst will discontinue producing K, KD, KN, KS, LA, LB, R & T Model of electric motors. The Sales volume has diminished 75% in the last 10 years. As the volume has decreased the ability to procure low volume components has also diminished.

Last time purchase request will be accepted for review through March 15, 2024 for immediate delivery. Nidec Hurst will review the request and confirm the accepted quantity and ship date based on material availability.

Our primary goal is to provide your organization with the best possible combination of quality, technology, service, and support in the industry. We thank you for your continued business and we look forward to servicing your future motor requirements.

Sincerely,

Randy Kunin
Sr. Director, Sales & Marketing
